

# 40 x 48 Heavy Duty Structo-Cell® Pallet

Uncommon strength and durability.

The Structo-Cell® Heavy-Duty Pallet is considered by many to be the industry standard. Molded as a one-piece, double-face pallet, the Structo-Cell provides four-way forklift and two-way pallet jack entry for easy operation. Its double-face design makes the Structo-Cell well suited to conveyors and other automated equipment applications. It also is acceptable for use in USDA-inspected meat and poultry operations. The Structo-Cell is designed and manufactured to stand up to continuous heavy use without splintering or deteriorating from exposure to chemicals or weather.

Available in 3 footprints:

40" x 48"

42" x 48"

48" x 48"

Thick outer wall and diagonal ribbing provides exceptional impact resistance

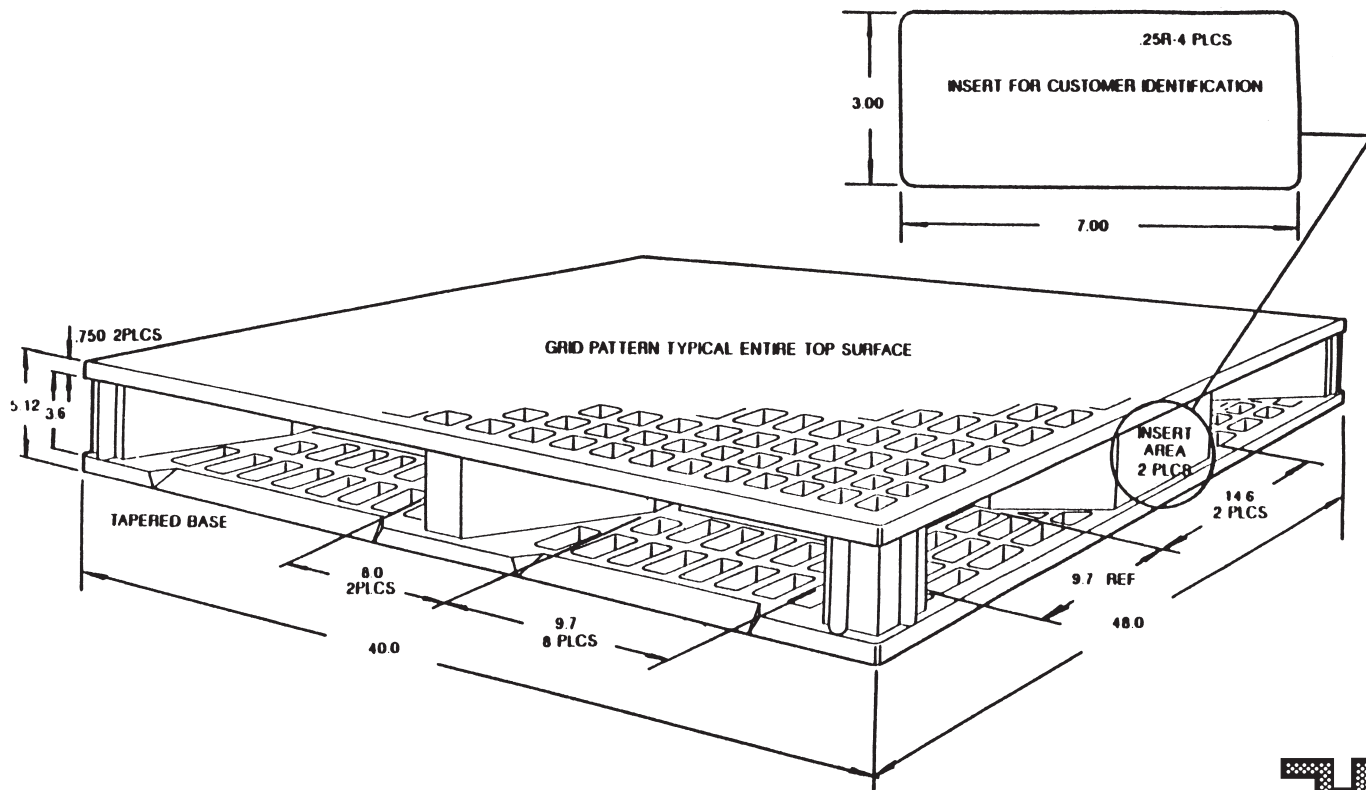

Improved hygienic design for easy cleanability. No sharp corners.

Enhanced stringer design for better performance on conveyors. The stringer's gradual angle allows for easier pallet jack entry.

## Industry Applications:

- Aerospace
- Appliances
- Building products
- Electronics
- Food products
- Paper and publishing
- Pharmaceuticals
- Warehousing
- Work-in-process

# 40 x 48 Heavy Duty Structo-Cell® Pallet

Model	Dimensions			Weight (lb.)	Fork Truck Entry	Hand Truck Entry	Load Capacity (lb.)		Truckload Quantity	
	L	W	H				Static	Dynamic	48' Trailer	53' Trailer
40 x 48 HDSC	40.0	48.0	5.1	44.0	4 way	2 way	30,000	4,000	560	600
42 x 48 HDSC	42.0	48.0	5.1	45.0	4 way	2 way	30,000	4,000	520	560
48 x 48 HDSC	48.0	48.0	5.1	51.0	4 way	2 way	30,000	4,000	440	480

- Consistent weight for accurate transportation costs
- Environmentally friendly and 100% recyclable
- Smooth, all plastic construction protects product (no nails, rust or splinters)
- Reduces packaging waste by eliminating wood pallet disposal
- Improves workplace safety with smooth design and stable stackability
- Rapid economic payback
- Flow-thru cleanable design

## Design:

High-density polyethylene, structurally molded  
Heavy-duty, non-reversible double deck  
Four-way forklift and two-way pallet jack entry  
Available in FDA-approved material  
Available in polypropylene copolymer

## Options:

Molded-in logo  
Anti-skid disks
