

4548JOURNEY Pallet and Top Cap System

➤ Strong positive lock between lid and base

➤ Impact resistant top cap

➤ Seat belts available on all four sides

➤ 1" lip for secure pallet loads

➤ Conveyable base

➤ Open pallet deck

➤ 4-way fork and hand truck entry

The new ORBIS **4548JOURNEY** Pallet and Top Cap System adds industry-leading versatility to automotive manufacturing systems. This innovative pallet can reduce per-vehicle costs, while improving productivity throughout the automotive supply chain.

Features include:

- Stacks and locks with a **majority of automotive** approved pallets and pallet boxes, for safe and secure loads (list available upon request)
- Improves standardization in manufacturing environments
- Meets automotive industry Returnable Packaging requirements
- Enables the safe and efficient storage and transport of container and pallet loads
- Creates optimized floorspace by stacking easily with all types of industry pallets and palletboxes

Easily stacks with many industry pallets and bulk containers!

4548JOURNEY Pallet and Top Cap System

Performance characteristics vary with application.

Model	Dimensions			Weight (lb.)	Fork Truck Entry	Hand Truck Entry	Load Capacity (lb.)		Truckload Quantity	
	L	W	H (w/lip)				Static	Dynamic	48' Trailer	53' Trailer
4548JOURNEY pallet	45.0	48.0	6.0	55.0	4-way	4 way	30,000	4,000	408	442
4548JOURNEY top cap	45.0	48.0	1.0	15.0	N/A	N/A	N/A	N/A	1,440	1,560

- Consistent weight for accurate transportation costs
- Environmentally friendly and 100% recyclable
- Smooth, all plastic construction protects product (no nails, rust or splinters)
- Reduces packaging waste by eliminating wood pallet disposal
- Improves workplace safety with smooth design and stable stackability
- Rapid economic payback

Design: Pallet

High-density polyethylene, structural foam molded for high strength-to-weight ratio and superior static load capacity

Interstacks with other industry pallets and bulk containers

Open deck, heavy-duty construction

Top Cap

Structural channel molded for superior impact resistance

Positive lock between top cap and pallet

Options:

- Molded-in logo
- Hot stamp
- 1" lip
- Recessed label pockets
- Seat belts available on all four sides
